

Hello Everyone,

All the staff from Torchlight would like to thank everyone who joined us at our annual Christmas Dinner last Thursday and hope that you enjoyed yourself as much as we did. The Christmas choir was a huge success and certainly made us smile, the food was good...but the guests were the best!

At a time when we are looking back at 2017 and remembering everything that we accomplished in a short time it reminds us how lucky we are to be a part of Torchlight. As each day goes by, we seem to gain more support from all of you and we truly appreciate it. 2018 will bring some real challenges for our families, support workers, board members, staff and especially our amazing participants. We believe if we stick together we can get through this and Torchlight will be better than ever!!

We wish you a Christmas full of family, friends, food and fun and see you in 2018.

Warm regards,  
Patty
